

# Street Outreach Program

2025 Impact Report

## The Synergy Project

The Synergy Project is a street outreach program offering assistance to runaway, homeless, nomadic, and street youth. We offer **survival supplies**, such as food, clothes, hygienic products, and more, as well as **peer support**, informal **counseling** (individual, family, or group), **information** and **referral services**, and **assistance to get off the streets**, if desired.

Services provided include:

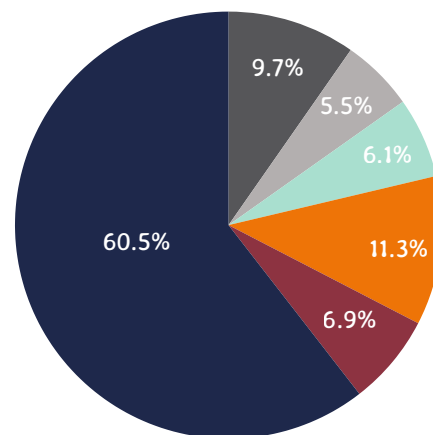

- Outreach and gateway services
- Assessments to determine risk and protective factors
- Case management and development of individualized plans
- Linkages with culturally appropriate interventions

## Our Reach

### Clients Served by Region

- **1600** runaway, or homeless individuals
- **7 counties** in eastern Pennsylvania

- Bucks County   ● Philadelphia   ● Dauphin County
- Lehigh Valley   ● Montgomery County   ● Lancaster

## Program Outcomes

**81%** of respondents felt **safe** meeting with outreach staff, felt **supported**, felt VYH staff were **knowledgeable** and were overall **satisfied with VYH services**.

**683** participants received **emergency case management** including:

- referrals for housing
- assistance with applying for mainstream benefits
- connections to other community resources

**704** participants resolved their immediate housing crisis, entering more **stable housing**.
